# The Auvergne-Rhône-Alpes Orchestra on tour in South-Korea

JULY 20-30, 2024

After achieving great success in the United States, the Auvergne-Rhône-Alpes National Orchestra is enthusiastically preparing for a tour in South Korea from July 23 to 27, 2024. The musicians are eager to reconnect with the South Korean audience, whom they had the pleasure to encounter in 2022.

This tour, led by principal conductor Thomas Zehetmair, will include four concerts, showcasing two different programs centered on the cello and violin repertoire, featuring Sung-Won Yang and Thomas Zehetmair as soloists. The program will include works by Bach, Haydn, Mozart, Beethoven, Mendelssohn, and Franck.

The tour promises to be a memorable summer event for both the musicians and the audience.
